

Saturday Social Event for the Transgender Community

Please join Casey Weitzman, M.A., cofounder of Gender Wellness of Los Angeles and Layla of Layla's Electrolysis on Saturday, **August 28, 2010 from 4-6 p.m.**

This is a monthly, informal, free social group. It is a support group catered to the transgender woman who is brand new to the community or has been a part of it for years. The environment is safe, beautiful and discreet. This is a place to come for support, information, and socializing. There will also be time to ask questions regarding transitioning, hormones, doctors, letters, therapy, surgeons, etc. Come dressed or if you are just starting this journey, come anyway you feel most comfortable.

Both Layla and Casey provide services to the community. Layla provides electrolysis, waxing and other skin care services. Casey Weitzman is a licensed marriage, family therapist and specializes in working with the transgender community. Additionally, she is looking for new members to join her on-going transgender woman's therapy group.

It is our hope that you make a new friend, see old friends, and feel a sense of pride and belonging. The group continues to grow and we would be excited to have you join us.

If you have any questions, please don't hesitate to write or call Casey Weitzman at caseymft@verizon.net or leave her a message on her confidential voice mail – (310) 441-0411.

The group meets at Layla's office which is located at:
